

PayneGroup Forms and Numbering Assistant Software Recognized by Corporate Counsel Magazine

SEATTLE, WA – June 1, 2017. PayneGroup has been named one of the top Document Formatting/Processing Software Providers in the 2017 Best of Corporate Counsel survey conducted by **Corporate Counsel magazine**. This annual survey ranks the top providers to the in-house corporate legal marketplace.

The award recognizes PayneGroup Forms and Numbering Assistant software products, which helps companies quickly create and format common legal documents and assists with even the most complex paragraph numbering and table of contents generation in Microsoft Word documents.

“Our Workflow Products team is committed to our clients in streamlining their organizations’ document creation and editing process, ensuring that their branding is present and that the user experience is productive and enjoyable,” says Tara Byers, President of Development at PayneGroup. “We are grateful for this acknowledgement from Corporate Counsel magazine because it highlights the ongoing collaborative relationship that we strive to maintain with our clients in delivering customized products that meets their specific needs.”

About PayneGroup

PayneGroup is a leading provider of security software including the Outlook Send Assistant, which prevents Reply to All, BCC and other potential accidental disclosures, Redact Assistant, which is a redaction tool for Word and Excel files, and Metadata Assistant, the first metadata removal software on the market. The Workflow product division includes Forms and Numbering Assistants, which aid in the creation and formatting of documents. PayneGroup provides extensive professional services, ranging from software migration consulting, training and help desk services to project management and courseware development. PayneGroup has also authored 13 books on Microsoft Office. For more information about PayneGroup, see www.thepaynegroup.com or follow PayneGroup on twitter at www.twitter.com/paynegroup.
